Thanks Sean. We will certainly try to get back to you on this today. If not today, I expect by Monday. Where do we stand on the issue of the inequitable conduct allegations? Happy to discuss by phone if that's more convenient. Best, Jay

Jay,

In the midst of all of the correspondence yesterday, I didn't see a response to this email from you. Can we have a response today please?

Thanks,

Jay,
We are still waiting on your response to our last comments about the trade secret disclosure. When we spoke on Friday, September 12, you said that you were not going to back burner the issue. I understand everyone is very busy, but we need to know by 5pm pacific tomorrow Fortinet's response.
Thank you.
Katie
